

## PenGuards Instructions

1. Hold electronic pen near the attached cord, insert tip of pen directly into PenGuard, and push down to secure.
2. Remove the covered pen from the box and hand it to the patient, instructing them to sign on the signature pad as they normally would.
3. Hold pen over recycle bin and flick PenGuard into the receptacle.

## About PenGuards

PenGuards function using a patented friction fit technology. They are designed and manufactured in the United States using 100% recyclable medical grade plastic. PenGuards are perfect for one-time use in the healthcare market and for germ-conscious consumers.
